

Annual Registration / Insurance

All students \$ 55

- Registration expires 31st December, the fee is the same no matter what month you join.
- All continuing participants must be registered 28 days from their first class. For insurance purposes after 28 days unregistered participants will not be permitted to participate, regardless of the number of visits paid for.
- Registration fees are collected on behalf of Gymnastics Victoria.

Classes do not run on public holiday weekends, this also includes the Monday before Melbourne Cup.

Pay for the Term

This is the most economical option. On average it is 10% cheaper per class than paying on the day. Make-up sessions are available for all classes as long as you give us at least 24 hours notice that you won't be attending a session.

All KinderGym participants paying for the term also receive a free club t-shirt and KinderGym booklet. (limited to one per child per year, additional items can be purchased separately).
